JOB SUMMARY:

Under the direction of the Program Manager or designate, the Medical Care Aide will provide support to guests with complex needs who may be experiencing deteriorating physical health, in accordance with the mission and philosophy of Lookout Housing and Health Society, including following Lookout's Code of Ethics. The Medical Care Aide will ensure respectful and dignified personalized supports for varying levels of required care including activities of daily living and instrumental activities of daily living in a residential setting, ultimately supporting individuals to age in place as desired.

JOB DUTIES: (in brief)

The Medical Care Aide will support guests in a residential setting who have pre-established healthcare plans in place and will work as part of a multi-disciplinary team, under the direction of Program Manager or designate. The Medical Care Aide will:

- Assists guests with their activities of daily living such as feeding, transferring in and out of a bed or chair, bathing, skin care, oral hygiene and toileting.
- Assists guests with their instrumental activities of daily living such as cleaning and sanitizing personal spaces, changing and making beds, doing laundry, keeping various personal supplies organized and stocked.
- Follows care plans and leadership directives according to policies and procedures.
- Documents observations and activities as appropriate to the guests care plan.
- Provides feedback and input regarding guest needs and progress, with a heavy emphasis on medical needs.
- Plans, prepares and serves meals, and shops for groceries.
- Administers medication to clients and provides medication reminders, in accordance with established policy.
- Completes and maintains records and documentation related to the operations, such as statistics, progress reports, and daily logs.
- Participates in, and contributes to various guest-focused social and recreational activities. May include the accompaniment of clients to shopping, appointments or leisure activities.
- Supports staff, students and volunteers as appropriate.
- Responsible for complying with and contributing to all aspects of health and safety program
- Performs other duties as required.

QUALIFICATIONS & COMPETENCIES:***Education, Training and Experience***

- Recent, related experience of at least one (1) year / an equivalent combination of education, training and experience / 2 years in a residential care/mental health setting including community work experience / other qualifications determined to be reasonable and relevant to the work
